Copy # 2

Reference: DPD2370-61, dated April 13, 1961  
(Contract BB-375)

Dear Jim:

Reference letter apprises me of the fact that \$5,000 has been retained from a cost invoice on BB-375. I would like to state that at this time it appears to be no patent claims anticipated under this contract.

I would also like to certify that to date we have made no royalty payments whatsoever to any vendor under this contract.

I hope this statement fulfills the reporting requirement outlined in the terms and conditions and that release of the \$5,000 retention will be forthcoming shortly.

Thank you very much for your consideration in this matter.

Very truly yours,

Contracts Manager
